Provided that if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

B. Remuneration to KMPs and other employees

The policy on remuneration for KMPs and other employees is as below:-

1. Fixed pay

The remuneration and reward structure for employees comprises two broad components - annual remuneration and long-term rewards. The Committee would determine the remuneration of the Directors and formulate guidelines for remuneration payable to the employees.

These guidelines are as under:

a) Annual remuneration

Annual remuneration refers to the annual compensation payable to the employees of the Company. This comprises two parts - a fixed component, and a performance-linked variable component based on the extent of achievement of the individual's objectives and performance of the business unit. Employee is required to determine his/her key result areas for that particular defined role. The performance-linked variable pay will be directly linked to the performance on individual components of the performance and the overall performance of the business. An employee's variable pay would, therefore, be directly dependent on key performance measures that represent the best interests of shareholders.

The objective is to set the total remuneration at levels to attract, motivate, and retain high-caliber, and high potential personnel in a competitive global market. The total remuneration level is to be reset annually based on a comparison with the relevant peer group globally, established through independent compensation surveys, from time to time.

b) Long-term rewards

Long-term rewards may be granted to eligible key employees based on their contribution to the performance of the Company, relative position in the organization, and length of service under the supervision and approval of the Committee.

The grant, vesting and other scheme details would be formulated from time to time.

These long-term reward schemes are implemented to attract and retain key talent in the industry.

2. Minimum remuneration to Managing Director/ Chief Executive officer

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Managing Director in accordance with the provisions of Schedule V of the Companies Act, 2013 and if it is not able to comply with such provisions, with the previous approval of the Central Government.

C. Remuneration to Non-Executive / Independent Directors

1. Remuneration

The remuneration payable to each Non-Executive Director is based on the remuneration structure as determined by the Board, and is revised from time to time, depending on individual contribution, the Company's performance, and the provisions of the Companies Act, 2013 and the rules made there under.

The remuneration to the Non-executive Directors (including Independent Directors) may be paid within the monetary limit approved by shareholders, subject to the limit not exceeding 1% of the profits of the Company computed as per the applicable provisions of the Companies Act, 2013.

2. Stock options

The Independent Directors shall not be entitled to any stock option of the Company.

Policy review

This policy is framed based on the provisions of the Companies Act, 2013 and rules there under and the requirements of the clause 49 of the Equity Listing Agreement with the Stock Exchanges.

In case of any subsequent changes in the provisions of the Companies Act, 2013 or any other regulations which makes any of the provisions in the policy inconsistent with the Act or regulations, then the provisions of the Act or regulations would prevail over the policy and the provisions in the policy would be modified in due course to make it consistent with law.

This policy shall be reviewed by the Nomination and Remuneration Committee as and when any changes are to be incorporated in the policy due to change in regulations or as may be felt appropriate by the Committee. Any changes or modification on the policy as recommended by the Committee would be given for approval of the Board of Directors.
